

## HOW TO GET TO CAMP OLJATO

**From the East Bay:** Take Interstate 580 through the Altamont Pass to Interstate 5 southbound. Exit at State Highway 152 east to Los Banos.

**From the South Bay:** Take U.S. 101 south through San Jose to Gilroy. In southern Gilroy, take State Highway 152 east to Pacheco Pass and San Luis Reservoir. Continue east past Interstate 5 to Los Banos.

**From Los Banos,** continue east on State Highway 152 until you meet State Highway 99. Follow Highway 99 south to Madera. Take the second Madera exit (Cleveland Avenue also marked for Millerton Lake and Yosemite) and turn east into northern Madera. (Stay in the right hand lane when crossing the railroad tracks or you will be forced to turn left into a large shopping center.)

**Follow Cleveland Avenue** until you make a wide turn to the right across the Fresno River to a stop sign at State Highway 145 (Yosemite Avenue.) Turn left (east) and take Highway 145 to State Highway 41. Cross over Highway 41 and continue east on Road 145. At the intersection of Road 145 and Road 206, bear right through a yield sign and follow Road 206 to Friant.

**At Friant,** turn left passing Friant Dam and Millerton Lake on Millerton Road. When Millerton Road meets Auberry Road take a left at the stop sign. Millerton and Auberry Roads are joined for the next 3/4-mile. When Millerton Road drops off to the right, follow Auberry Road past Marshall Station to the community of Prather. At the Prather stop sign, turn left onto State Highway 168 from Fresno. At the stop sign, follow Highway 168 by turning left and begin a 4,000 foot climb into the Sierras on a wide four-lane road. When reaching the "Top of the Grade," Highway 168 reverts to the older two-lane road for the remaining seven miles into the Shaver Lake Community. After going through Shaver Lake, passing below the dam, and reaching the far side of the lake, you will begin the second ascent over Tamarack Ridge (7,600 feet) and into the Huntington Lake basin.

After passing the Sierra Summit Ski Area, continue around the east end of the lake past Rancheria Campground over the bridge, passing the power station and Eastwood Visitor Center. On the left, just past the Rancheria Garage and Marina, a sign marks a parking area and Scout dock. Turn left into the parking lot and follow it around to the right. The Scout dock is located at the far end of the parking area. The final mile is by boat into camp.
